"The Oettinger aerodynamic accessories push visual performance to the max"

GTI – these three letters are synonymous with automotive athleticism, power and speed. But there's more: the made-to-measure, high-quality Oettinger aerodynamic accessories for the latest Golf GTI GP add the perfect finishing touches. And GTI fans who love the black and red colour scheme can also feast their eyes on the striking black and red 19-inch Volkswagen Genuine 'Twinspoke Red Edition' alloy wheels.
