# An icon re-energised

Unmistakably Golf but with innovative twists, this is a truly modern hatchback

Featuring Volkswagen's latest infotainment system, the Golf brings a range of state-of-the-art technology and connectivity. Listen to your favourite tunes or the latest podcasts with wireless App-Connect\* or personalise your Golf with a choice of illuminating interior colours.

It's also packed with a comprehensive suite of advanced driver assistance systems\* that goes above and beyond to keep you and others safe.

\* Feature is available on R-Line model only

† Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
