

Volkswagen Touareg.

Volkswagen continues to drive value with the new Touareg range.

Volkswagen has been on a mission to bring the World's best, at the best prices to more New Zealanders and today we are delighted to announce that we'll be continuing our trend of offering customers better value and more features than ever before, with the new **Touareg range**.

Starting at **\$89,900 (RRP)** for the **Touareg V6 TDI 150kW** which retains the same price point, but now includes \$4,350 worth of extra specification including; Bi-Xenon headlights, Keyless entry and a heated steering wheel, with shift paddles give the new Touareg the feeling of premium comfort.

The **Touareg V6 TDI 180kW** has a reduced price of **\$104,900 (RRP)**, and now also comes with \$6,100 in extras, including Keyless entry and heated steering wheel with shift paddles and a memory package with other added benefits.

And lastly, the third and most premium model in the range – the **Touareg V8 TDI 250kW** has the ultimate power and distinguished performance, also reduces to \$135,900 (RRP), with added specs valued at \$16,350 – including R-Line interior and exterior, 20" Tarragona alloys and Lane & Slide assist packages.

Tom Ruddenklau states "the Touareg is well recognised for its premium performance and top-quality design. The new model combines the best of both worlds as a comfortable and luxurious sedan, as well as, a fully capable off-road SUV with great practicality for an active lifestyle".
