Your rights under the Consumer Guarantees Act

The Consumer Guarantees Act 1993 sets minimum standard guarantees for goods/products and services bought for personal use.

In particular, it provides that products sold to consumers come with a guarantee of “acceptable quality”, which means that the products must:

- be fit for their purpose (do all the normal things that people would expect them to do);
- be durable for as long as most people would expect them to last;
- be free from minor and major faults;
- do what You the consumer have been told they do; and
- are safe and durable.

If You as a consumer have a **serious** problem with a product, You have the choice between a refund, replacement, repair, or compensation from the business that sold You the product, as long as You comply with certain requirements.

If You have a problem with a product that is **not serious**, the business that sold You the product can choose to refund, repair or replace it with products of identical type, as long as You comply with certain requirements.

If the business that sold You the product chooses to refund, repair or replace the goods, it must be done in a reasonable time, otherwise You can ask for a refund.

If You would like more information on Your rights and remedies under the Consumer Guarantees Act, please refer to the Commerce Commission's fact sheet on extended warranties available at: <http://www.comcom.govt.nz>.

This Policy is designed to provide You with certainty by helping pay the costs of unforeseen mechanical breakdowns, and to reduce inconvenience to You by getting You and Your vehicle back on the road as quickly as possible. This Policy does not affect or limit Your rights under the Consumer Guarantees Act, but provides benefits over and above the Act's guarantees. In summary, subject to the terms of the Policy, these additional benefits include (but are not limited to):

- The Policy gives You the peace of mind of knowing exactly how long the cover applies, what benefits You are entitled to, and how to make Your claim to ensure it can be settled promptly.
- If Your vehicle breaks down or suffers a fault, We are just one phone call away (24 hours a day, 7 days a week) to assess the problem and help You get back on the road quickly with the least inconvenience.
- No matter where You may break down, Our nationwide network of authorised Volkswagen New Zealand Dealers and approved Volkswagen New Zealand Service Agents will assist You.
- You are also entitled to Volkswagen Roadside Assistance benefits (including flat battery, flat tyres, key replacement/vehicle lockout, and out of fuel assistance) 24 hours a day, 7 days a week.
- Allowances for accommodation or car hire/transport costs if You as the owner/driver breakdown more than 100 kms away from Your home and Your vehicle is unable to be used for at least 24 hours due to the repair work required.
